

OSISKO DEVELOPMENT

OPERATIONAL ACCOUNTANT – BGM

BGM

THE ORGANIZATION

Osisko Development Corp. ("**ODV**" or "**Company**") is a newly created premier North American gold mining company. Led by a world-class team with a proven track record of discovering, developing and operating tier-1 projects globally, ODV is working on developing its extensive mineral rights located in British Columbia, Mexico and Northern Canada. Osisko Development, through its 100%-owned subsidiary Barkerville Gold Mines Ltd., is proposing to construct and operate the Cariboo Gold Project, an underground gold mine and associated infrastructure and activities, in the historic Cariboo Mining District in east-central BC, east and southeast of the City of Quesnel. Osisko is a Canadian company based in Wells, BC and headquartered in Montreal, Canada.

ODV's vision is to build modern, safe, socially and environmentally sustainable mining operations that will support generations to come. One of our core values is building and maintaining relationships that are based on reciprocity in order to provide mutual benefits for all stakeholders and future generations.

The Company is listed on the TSX Venture Exchange under the stock ticker ODV.

Visit www.osiskodev.com for more information.

THE POSITION

As an integral part of the Finance team, the Operational Accountant – BGM, will provide hands-on leadership of the Company's accounting and financial reporting processes for all operating activities within the Barkerville Gold Mines group ("**BGM**").
